Time: 5:00 P.M.
Place: City Hall

Present:

Also Present:

Bill Terry

Ed Corlew

The meeting was called to order by Chairman Coombs.

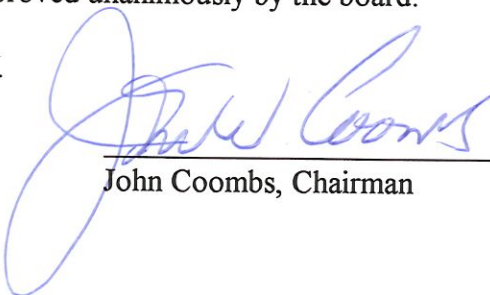

Item 1 (#6-90) to consider the request of Ed Corlew for approval of Final Plat of Rolling Meadows, Section 9.

Bill Terry explained that in a PUD the preliminary master plan, final master plan, and final plat all require approval by the board. Approval of the final plat enables the individual units to be recorded. Inadvertently, the final plat for Section 9 of Rolling Meadows was not submitted for approval. The preliminary master plan and the final master plan were approved in June, 1994. These units are now complete and sold and closings are scheduled this week. There were three minor revisions required on the original approval and these are corrected and reflected in the final plat submitted.

Jim Driver made a motion to approve the final plat for Rolling Meadows, Section 9. The motion was seconded by Mary Ann Gourley and approved unanimously by the board.

The meeting was adjourned at 5:06 p.m.
