The meeting was called to order by Chairman Mosier. It was noted that the meeting had been advertised and adjoining and other affected property owners notified by direct mail. The approval of the minutes of the January 1998 meeting were approved.

CASE NO. 98-3-312 -

Consideration of a request for a conditional use permit to operate a small engine repair shop and bedding plant sales with outside storage at 327 North Main Street. The request, if granted, would allow this type of business in the now vacant service station building at the intersection of North Main Street and Depot Street. The applicant is Ricky Paisley and Tom and Pam Weekly, lessors of the property.

Staff announced that the applicant had withdrawn the request.

The meeting was adjourned.

Tom Mosier, Chairman

Bill Terry, Secretary
