

Gary Franks, one of the principals of the corporation, stated the establishment has now met the seating requirement of the beer ordinance, has a printed menu, cooler has been removed to make room for the stove, and they have their Health Department Permit. The stove will be installed by 12/11, and they will begin serving food. He stated they will initially only serve food and beverages between the hours of 4:00 P.M. and 9:00 P.M. daily. If business improves, they may begin serving as early as 12 Noon. Food and beverage sales will be to members only. Gary projects that his beer sales will only make-up between 25-30% of his gross sales.

Duncan made a motion to approve the on-premises permit in light of this new information. Slater seconded the motion and it was unanimously approved.

Chairman Smith called the meeting to order. Minutes of the previous meeting were unanimously approved.

The only item on the agenda was to consider the request of Pelon, Inc. (Michael E. Crownover), owner of Mr. Gatti's, 801 Two Mile Parkway, for an on-premises permit. The Police Department background check had revealed that Mr. Crownover had some problems on his criminal history, which the Department furnished to the City Manager. The City Manager referred this information to the City Attorney for review. David Pollard, from the City Attorney's office was present for the meeting and advised, in the City Attorney's opinion, this information did not constitute grounds for denial of a beer permit for Mr. Crownover.

Upon the advice of the City Attorney, Slater made a motion to approve the request for an on-premises permit. The motion was seconded by Duncan and unanimously approved.
