James Smith called the meeting to order at 5:00 P.M. Only one item was on the agenda, the request of William D. Frey, owner of 98 Truckers Store, 956 Louisville Highway, for an off-premises beer permit.

The City Manager reported that this location has had a previous permit under a different owner and Mr. Frey has previously had a permit in his name as manager of Aztex on Long Hollow Pike.

The Police Department found no problems on Mr. Frey's background check. Walter Slater moved to grant the permit, James Smith seconded, and the motion was unanimously approved.

The meeting adjourned at 5:15 P.M.
