GOODLETTSVILLE BEER BOARD

Date: June 11, 1991
Time: 5:00 P.M.
Place: City Hall

Present:
Jim Denton

Roy Duncan

Also Present:

Chairman Denton called the meeting to order. Approval of minutes of the previous meeting was deferred due to that meeting being continued until a future date.

The only item on the agenda was to consider the request of Becky Lynn Robertson, new manager of Mapco Express, 401 long Hollow Pike, for an off-premises permit.

There being no problems with the applicant's background check, James Smith made a motion to approve the permit, seconded by Roy Duncan and unanimously approved.

The meeting was adjourned at 5:15 P.M.

David Wilson
