Approval of Minutes

After a review of the February 18, 2026 meeting minutes, a motion was made to approve the minutes by Tammie Reddy.

Comments from Citizens- None

Unfinished Business

Native Wildflower Meadow- Jack Presley reported the area has been marked off and sprayed once, with two additional spray treatments planned. The project is anticipated to move forward later this year, with planting expected next year.

Revive and Root Recap Discussion & Feedback- Chris Taylor reported the event was well attended and successful. Dave Anderson agreed the event was successful. Goodlettsville Elementary School expressed interest in continuing its partnership and participation in future events.

Spring Beautification and Clean-up Events- The event recap flyer highlighting the City's spring clean-up and beautification efforts was reviewed. Staff discussed the success of the events, and appreciated the participation from Dollar General and community volunteers. Sarah Jennings shared event highlights and noted the City intends to continue similar beautification efforts each spring.

LPRF 2025: Moss-Wright Park Traffic Recirculation and Pedestrian Improvements- Staff reported the archaeological study has been completed with only minor findings that are not expected to impact construction. The project will proceed to the design phase pending TDEC approval of the archaeological findings. Staff also noted the roundabout portion of the project will be delayed until next year to avoid impacts to sports league activities.

New Business

Arboretum Replacement Labels and Map- Discussion was held regarding replacement of arboretum labels and maps following the City's branding rollout. Staff reported the City is

currently developing updated branding materials, including logos, colors, and related deliverables. Once finalized, staff plans to replace all arboretum labels and maps with updated branding.

Chris Taylor expressed interest in adding additional trees to areas of the arboretum with fewer plantings, including duplicate species if needed. Sarah Jennings noted that fall would be an appropriate time for additional tree planting.

Beautification Update- Allison Baker reported no summer clean-up events are currently planned, but staff will focus on fall beautification efforts in conjunction with the fall drop-off event. Sarah Jennings added that staff is also exploring a relaunch of the Adopt-A-Street and Adopt-A-Landscape programs.

Future Beautification and Tree Advisory Board Initiatives- Board members discussed future beautification opportunities throughout the City, particularly following completion of the Main Street and I-65 widening projects. Staff discussed future landscaping improvements associated with the Main Street project, including upgraded mast arm poles, sidewalk landscaping, and other beautification enhancements.

Sarah also reported the property located on the corner of Main Street and Rivergate Parkway has been designated for a future passive park, which will further contribute to downtown beautification efforts. Additional discussion was held regarding downtown parking improvements and ongoing plans for future parking expansion.

Reports from Staff- A report was provided by the Assistant Director of Public Services, Jack Presley, and the Recreation Services Manager, Dave Anderson.

Comments from Board Members & Staff- Chris Taylor recognized Public Works Week and expressed appreciation for City staff and winter storm response efforts. Chris Taylor also acknowledged and congratulated Tim Ellis on his upcoming retirement.

Adjournment- The meeting was adjourned at 10:19am.
