The meeting was called to order by Mayor Jones. Prayer was offered by Jim Driver. Motion by Long, seconded by Cordell to approve the minutes of the July 27, 2000 regular meeting. Passed 5-0.

Consider **Ordinance No. 00-602**, an ordinance adopting and enacting a codification and revision of the ordinances of the City of Goodlettsville, Tennessee. Motion by Garrett to approve Ordinance No. 00-602 on second reading, seconded by Driver. Passed 5-0.

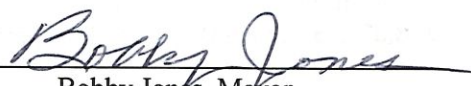

Wilson stated the item to consider request for annexation from residents on Willis Branch Road has been deferred by the petitioner, Susan Pemberton, as she was unable to attend the meeting. Wilson stated this request was heard a couple years ago and a recommendation was made by the Planning Board to the Commission, stating their approval. Bill Terry indicated at that time an annexation study was conducted to review the cost of providing services and the potential revenue for the areas of Willis Branch Road, Allen Road, property along Long Hollow Pike, and additional areas of Hogan's Branch Road. The Planning Board recommended all the areas for annexation. Each area was considered separately in the study and the recommendation. The Mayor requested that there be a new study conducted on the costs to provide services versus the revenues. Motion by Garrett to withdraw the item for consideration, seconded by Long. Passed 5-0.

Wilson stated that IBP will be conducting a meeting for potential vendors, contractors and suppliers, in the auditorium August 16, 2000. Their target is to have a production line in operation by February.

The meeting was adjourned at 6:36 p.m.
